The beginning of school is just around the corner and everyone has been gearing up for another exciting and successful school year. Our custodial and maintenance staff have been working hard to get the facilities and grounds ready and I would like to take this opportunity to thank them for their hard work and the continued improvement in our facilities.

I also want to call your attention to some of the changes that have been made to the calendar this year. We have eliminated about half our early release days and placed our teacher training days in a manner that will allow families to plan activities together more conveniently. We also changed student parent conferences from an early release schedule to a full day conferencing schedule. Please plan to attend these important teacher conferences and learn how to partner with your child's teacher to assure academic success.

I would like to encourage you to get involved in our schools by volunteering. You can help in the classroom, building offices, supervision of activities, grounds or many other areas that you would find rewarding. Chimacum has a great history of parent and community support.

Welcome to the 2008-09 school year. Please feel free to call or visit me if you have any questions or concerns. Thanks for your continued support!

**Go Cowboys!**

The school board meets at 7:00 PM on the second and fourth Wednesday of each month. All meetings are held in the high school library unless otherwise posted. We encourage you to come to a meeting and learn what is happening in your school district.

The five board members are elected from their respective Director Districts for four year terms. They are responsible for establishing educational goals, setting policy, hiring the superintendent and ensuring that the superintendent and staff carry out the goals and policies in the manner that provide quality education for Chimacum students.

### Emergency School Closures

Inclement weather conditions and/or road closures could cause a closure of school or a delay of busing. This information is announced on the following radio stations between 6:00-8:00 AM.

AM Radio: KOMO1000; KYCW1090; KIRO710  
FM Radio: 88.5; 90.7; 94.1; 103.7; 106.9

Also television channels 4, 5 and 7

Information on school closures can also be found on the district's website: [www.csd49.org](http://www.csd49.org), or by calling 732-4090 and choosing extension 460.

### Transportation

Riding the school bus is a privilege that may be denied to any student who does not demonstrate acceptable behavior. Bus rules are given to students each year. Students are to ride their regularly assigned bus at all times unless permission has been granted by school authorities. If you have any questions regarding transportation, please contact our Transportation Department at 732-4040.

All application information is confidential and used only for determining eligibility for the program. Students receiving meals under this plan are identified only to the lunchroom cashier.

## Food Allergies

If your student suffers from any known food allergy, please immediately notify our Director of Food Services at 732-4090 Ext 226.

# PARENT NOTIFICATIONS

## **Enrollment Information**

Students are most commonly enrolled at their neighborhood school. However, state law permits parents to request enrollment outside the designated attendance area. Out of district transfer forms can be obtained from any school office or the district's website (policy 3130). Students enrolled in a high school program can participate in Running Start, a college credit program that is an outgrowth of the CHOICE legislation of 1990. This program allows students to simultaneously earn credit for high school graduation and toward a college degree. Another college credit program is Advanced Placement which allows high school students to earn college credit by completing classes and tests demonstrating an applicable level of proficiency in the high school setting. The counselor can assist in registering students in Advanced Placement courses. Students/ parents should contact the high school counselor at 732-4090 Ext 243 for application procedures.

## **Directory Information**

Federal law allows a school district to identify certain items as "directory information" which may be publicly released without permission of parents/guardians. The Chimacum School District identifies this information as the following: name, address, listed telephone number(s), date and place of birth, major field of study, photograph or video image, participation in officially recognized activities and/or sports, weight/height of members of athletic teams, dates of attendance, awards received, most recent previous school attended, or other similar information that would not generally be considered harmful or an invasion of privacy if disclosed. This information may be released to the media, colleges and universities, the military, or any party with a similar level of interest, unless a form is filed with the Chimacum School District, by the parent or guardian, that restricts the release of this information. The student registration form gives parents/guardians the opportunity to choose not to have this information released. Please contact your student's school regarding access to this form.

## **Mandatory Attendance**

The compulsory attendance law of the state of Washington requires that any child between 8 years of age and 18 years of age must attend school full time when school is in session unless the child is enrolled in an approved private school, an educational center, or is receiving home-based education. If a parent enrolls a child who is six or seven years of age in a public school, the child is required to attend for the full time the school is in session. Policy and Procedure 3122 defines excused absences, unexcused absences and trancies. This policy and procedure also defines the responsibility of the school district, parent/guardians, and teachers in monitoring school attendance. Based on RCW 28A.225.030, a petition must be filed with the Juvenile Court if a student has 5-7, unexcused absences in a month or 10 unexcused absences in a year, or if a student's unexcused absences cannot be reduced over a period of time.

## **Student Records**

Policy and procedure 3231 states that information about individual students (other than Directory Information) will not be released to persons or agencies without the written consent of parents/guardians (see Directory Information). However, this policy also states that Chimacum School District will forward school records, without parent consent, to schools in other districts to which a student transfers. This procedure facilitates the prompt and appropriate placement of students in new school settings. Chimacum School District also forwards, without consent, transcripts or other information requested by high school students to colleges or other post-high school educational institutions.

Special Education records will be maintained by Chimacum School District until they are no longer needed to support educational services to the student. Confidential records are not maintained indefinitely, and may be destroyed when the student is nineteen years of age, or earlier if the student no longer attends school in Chimacum School District. Parents or adult students who wish to obtain copies of a student's records should submit a written request to the last school attended no later than thirty days after graduation, or no later than thirty days after the completion of the school year. Policy and Procedure 3520 states that Chimacum School District may withhold grades, diplomas, and/or transcripts of any student responsible for theft of, or willful damage to, school property until restitution is made by payment of monetary damages or by volunteer work, if the student is unable to pay restitution.

## **District Records**

Pursuant to RCW 42.17, parents and other members of the public have the right to inspect and copy public records retained by the District, including records pertaining to employee discipline, unless the records are exempt from public disclosure under state law.

### **Health Care Information**

State law requires that orders from a licensed health care provider for medication and/or treatments and a nursing care plan be in place before a student with a life-threatening health condition attends school (RCW 28.A.210). A health condition is considered life-threatening if that condition will put the student in danger of death during the school day if a medication or treatment order is not in place. Nonprescription medications must be sent to school in the original container. Prescription medications must be in a container appropriately labeled by a physician, dentist, or pharmacist. All medications must be accompanied by the Medication Request Form, which may be obtained from school office personnel or on the Chimacum School District website: [www.csd49.org](http://www.csd49.org) under school board policy #3416F. If a student needs to carry and self administer their own medication, the school office personnel or school health consultant must be contacted for information about appropriate and necessary procedures. Policy and Procedure 3413 requires that all students submit records of immunity to specified childhood diseases in order to register for school. Parents/guardians may claim a medical, philosophical, or personal exemption from any or all immunizations for their children.

### **Child Find**

A child with a disability may be eligible for special education and related services. If you have reasons to suspect your child or another child may have a disability which affects his/her education, please contact the Special Services Department at 732-4090 Ext 254 for additional information. (WAC 392-172-100)

### **Student Disabilities**

Individuals with disabilities who may need a modification to participate in a school related meeting or activity should contact the school or district office location no later than three (3) days before the meeting or as soon as possible so that arrangements for the modification can be made. Complaints regarding discrimination relative to disability, as it pertains to Individuals with Disabilities Education Act (IDEA) and Section 504 of the Rehabilitation Act of 1973, are addressed in Policy and Procedure 2161. Questions pertaining to IDEA or 504 should be directed to the Director of Special Education, LaVonne Grimes, 732-4090 Ext 254.

### **Teacher Qualifications**

Under federal law, parents and guardians are entitled to request information about the professional qualifications of their child's teachers. Such requests should be made to the Superintendent. (No Child Left Behind Act/20 U.S. C6311/34 C.F.R. 200.61)

### **Asbestos Notice**

In compliance with the EPA's regulations covering asbestos containing building materials in schools, this is Chimacum School District's annual notification that ACBMs are present in some of the buildings. A program has been implemented to ensure that the material is maintained in good condition and appropriate precautions are followed when the material is disturbed for any reason. This management program consists of surveillance, inspection, response action, record keeping and training for maintenance and custodial staff, and is available for review at Maintenance Office. If you have further questions, please feel free to contact the Maintenance Department at 732-4090 Ext 228.

### **Pesticide Notification (Policy 6895)**

The Chimacum School District will continue to make every effort to minimize the use of pesticides in schools. When pesticide use does become necessary, every effort will be made to schedule applications so that they do not take place while students or staff are present. For information regarding the use of pesticides in the school district, please contact the Maintenance Department at 732-4090 Ext 228. (RCW 28A.320.1651; RCW 17.21.415[2])

### **Summary Statements**

Chimacum School District strives to promote positive communication among students, parents, and staff. All are encouraged to problem solve situations at the building level. If, however, there is dissatisfaction with this process or any of the above processes, concerns can be shared with the Superintendent's Office, 732-4090 Ext 222.

Chimacum School District No. 49 complies with all federal and state rules and regulations and does not discriminate on the basis of race, color, national origin, sex, age, disability, disabled or Vietnam veteran status. Students or staff members who believe that they have been the subject of harassment and/or discriminatory behavior will report the incident immediately to the principal or department supervisor. Complaints regarding harassment/ discriminatory behavior will be investigated immediately. Inquiries or complaints may be directed to following **732-4090**:

**Title IX Officer, Mike Raymond, Ext 237**  
**Title VII Officer, Mike Blair, Ext 222**

**Section 504 Coordinator, LaVonne Grimes, Ext 254**  
**Director of Athletics, Dave Porter, Ext 353**
