

From the Superintendent

Chimacum School Board of Directors

District Office
91 West Valley Rd, Chimacum
www.csd49.org

The beginning of school is just around the corner and everyone has been gearing up for another exciting and successful school year. Our custodial and maintenance staff have been working hard to get the facilities and grounds ready and I would like to take this opportunity to thank them for their hard work and the continued improvement in our facilities.

I also want to call your attention to some of the changes that have been made to the calendar this year. We have eliminated about half our early release days and placed our teacher training days in a manner that will allow families to plan activities together more conveniently. We also changed student parent conferences from an early release schedule to a full day conferencing schedule. Please plan to attend these important teacher conferences and learn how to partner with your child's teacher to assure academic success.

I would like to encourage you to get involved in our schools by volunteering. You can help in the classroom, building offices, supervision of activities, grounds or many other areas that you would find rewarding. Chimacum has a great history of parent and community support.

Welcome to the 2009-10 school year. Please feel free to call or visit me if you have any questions or concerns. Thanks for your continued support!

Go Cowboys!

The school board meets at 7:00 PM on the second and fourth Wednesday of each month. All meetings are held in the high school library unless otherwise posted. We encourage you to come to a meeting and learn what is happening in your school district.

The five board members are elected from their respective Director Districts for four year terms. They are responsible for establishing educational goals, setting policy, hiring the superintendent and ensuring that the superintendent and staff carry out the goals and policies in the manner that provide quality education for Chimacum students.
