ROUTE 111 James McKay

No change
No service on Griffith Pt Rd.

To find out if your child's bus is running on emergency late start schedule or possible school closure look on line on the Internet at <http://csd49.org>.

You can find emergency routes and closure information on the following Radio and TV stations.
AM KIRO 710, KOMO 1000, FM KMPS 94.1, KPLU 88.5, TV KING 5, KIRO 7, AND KOMO 4. If these do not work for you call 732-4040 at transportation.

Parents may use their own discretion about the safety of their child(ren) as to whether or not they attend school on these days.

Route times are approximate. The drivers will be driving very cautiously, which of course will slow them down. Please have your child(ren) warmly dressed and remind them to stay well off the road. Have an alternate plan for your child if the bus does not arrive in a timely manner.
